# "MISSION LASIKARAN"

List of **Navi Mumbai** Vaccination Centers Supported by BJS

(Supporting Government Hospitals in NMMC)

## CONCEPT MISSION LASIKARAN

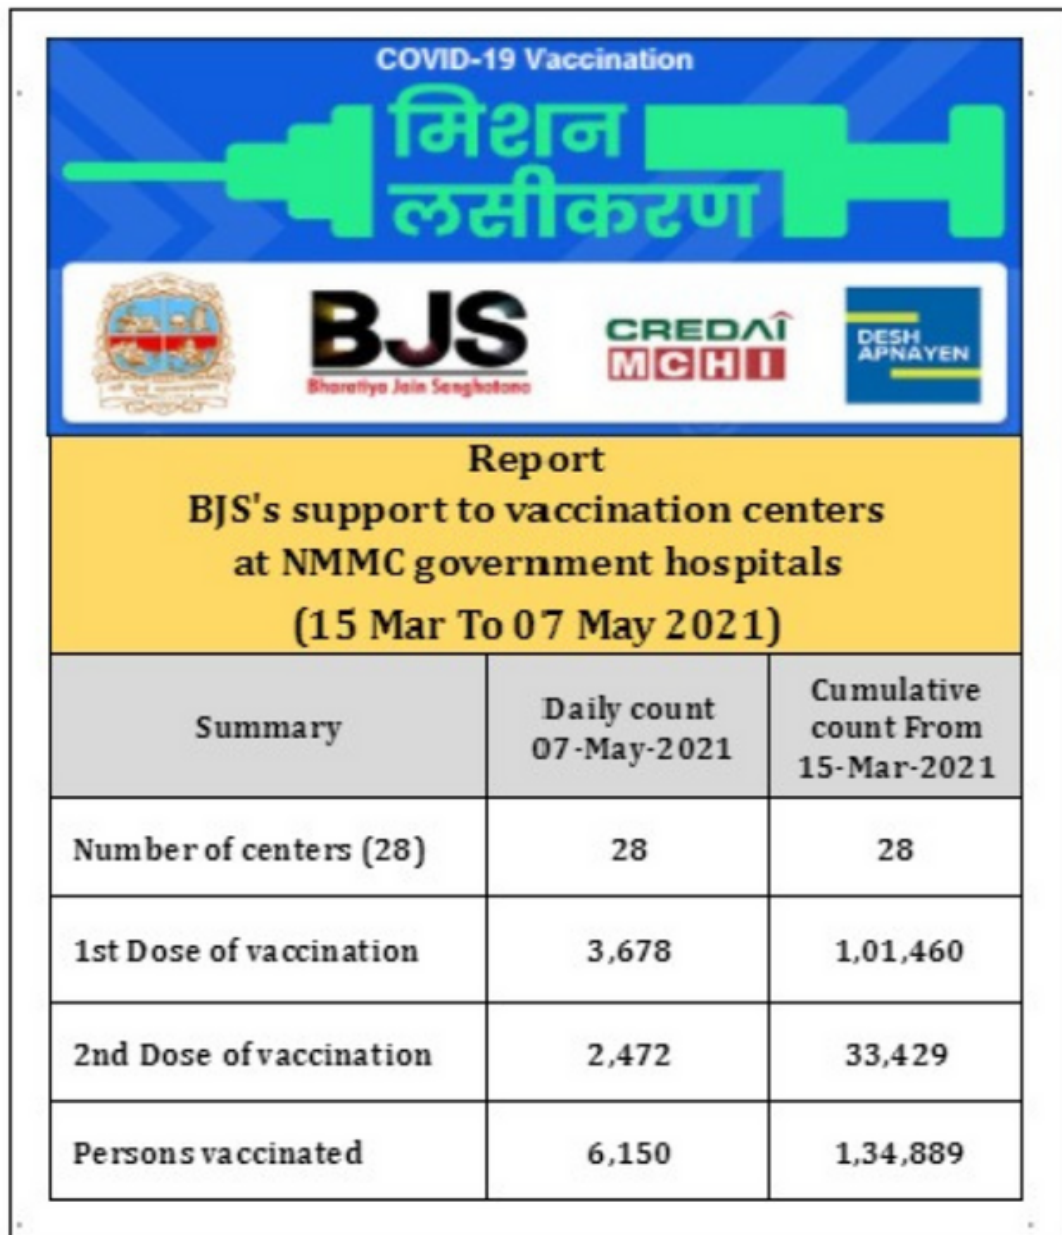

(Supporting Government Hospitals in NMMC)

Bharatiya Jain Sanghatana (BJS), CREDAI MCHI & Desh Apnayan is supporting The Navi Mumbai Municipal Corporation (NMMC) Government Hospitals for the COVID-19 vaccination program by ensuring mass awareness, addressing vaccine hesitancy, and eagerness among citizens.

Through its vibrant cadre of committed volunteers, BJS supports government vaccination centers through site management for ensuring the smooth flow of beneficiaries.

BJS, CREDAI MCHI & Desh Apnayan volunteers provide much-needed assistance to senior citizens and comorbid people arriving at vaccination centers. They attend to citizens' queries and provide them the necessary information, ensuring they are comfortable and well taken care of during the whole process. This unique intervention has resulted in an enhanced citizen awareness, addressing their anxieties, and make them participants of the largest vaccination program through "Mission Lasikaran" as envisioned by the government.
