Subject: Comments on the Draft National Education Policy 2019.

Dear Sir / Madam,

At the outset, I would like to commend the huge effort taken by the Ministry of Human Resources Development, Government of India and the committee for preparing the draft National Education Policy 2019.

We are a Federation of Jain Educational Institutes (FJEI) with the Head Office in Pune Maharashtra. There are about 3000 educational Institutions and schools run by Jain community on philanthropic basis all over India. Most of these educational institutions and schools are members of this federation. We had our National Council Meeting on 13th June 2019 and deliberated upon the National Education Policy 2019. Few suggestions emerged from the members and these are compiled in Annexure.

I am sure that the committee will find these suggestions useful and will be able to incorporate them in the policy. Our team will be available for discussions, if any, required at a later stage.

Regards,

(Vallabh Bhanshali)
National President
