

**BJS and Force Motors  
would like to thank  
Ms. Namita Thapar,  
Emcure Pharmaceuticals**

BJS & Force Motors' 50 mobile dispensary vans are operating all over in Pune and PCMC daily.

Each van is accompanied by one or two doctors and a nurse.

In all, daily 6000-7000 patients get free treatment and free medicines for common cold, cough and flu on the spot.

We would like to thank Emcure for supporting our mission by providing us free medicine and helping the mobile dispensary seva become a success.

*Thank  
you*

BJS - Force Motors Mobile Dispensary Seva is on a mission to support the community during the Covid-19 pandemic. At the same, the safety of our doctors is of extreme importance too. However, the huge shortage of PPE Kits limited our efforts and strength in this endeavor.

Instinctively, Mr. Ashok Chordia of Solitaire Group swiftly facilitated PPE Kits for this mission, working day and night with his team.

We truly admire your upright support in helping this project progress smoothly.

Special thanks to Mr. Rajiv Raka too for his pivotal role in ensuring availability of the necessary material.

Together, we will surely emerge victorious in our fight against corona..

Dear Kantilal,

You left us 9 years back, but your sons Amit and Amol consistently did their best to live up to your name and reputation, and there are many examples to prove that. Today, I experienced that in a big way.

At this moment, when I am fighting a big battle against Corona through BJS by facilitating medical aid through mobile dispensary seva, your sons and your family, Amit, Amol and Pushpa Bhabhi, along with your entire office willingly came forward to voluntarily undertake program management activity by utilizing their dedicated office staff.

I feel so happy today, remembering you and missing you a lot on this occasion.

Our legacy of true friendship and cooperation still continues as we move ahead.
